MINUTES OF THE JOINT REVIEW BOARD CAROL STREAM GENEVA CROSSING TAX INCREMENT FINANCING (TIF) DISTRICT WEDNESDAY, NOVEMBER 20, 2013 3:00 P.M.

Members Present:

Frank Saverino, Sr. Mayor, Village of Carol Stream/Chairman, Joint Review Board William Farley, Assistant Superintendent, Wheaton/Warrenville School Dist. 200 Susan Rini, Director, Finance & Administration, Carol Stream Park District Perry Johnson, Chief Administrative Officer, Carol Stream Fire Protection District Ellen Roberts, Director, Business Affairs, College of DuPage Paul Lauricella, Zoning Administration Coordinator, DuPage County

Staff/Others Present:

Tim Powers, President, Carol Stream Park District Bob Hoff, Deputy Chief, Carol Stream Fire Protection District Joseph Breinig, Village Manager, Village of Carol Stream Jon Batek Finance Director, Village of Carol Stream

Chairman Saverino called the meeting to order at 3:00 p.m.

Chairman Saverino moved to approve the minutes from the November 12, 2012 Joint Review Board. Motion was seconded by Susan Rini. All ayes. Motion carried.

Chairman Saverino turned the meeting over to Finance Director Jon Batek who briefly summarized the financial reports which had been sent out prior to the meeting.

The TIF performed well during the most recently completed fiscal year which ended on April 30, 2013. This included a surplus of about \$150,000 and a year end fund balance of approximately \$1.85 million. Fund balance reserves equate to about 5 years of future debt service coverage. Property tax increment for FY13 did slip below that of the prior year due to a successful tax appeal from the major property owner within the TIF which resulted in a reduction of tax proceeds of about \$50,000. The current FY14 similarly projects a surplus in the area of \$\$137,000 with property tax increment recovering to \$446,000 for the year. The impending closure of the TIF's anchor tenant Dominick's by the end of 2013 did however show a significant loss of sales taxes being transferred to the TIF.

General discussion continued related to the closure of Dominick's and related impacts to the TIF. Mr. Batek indicated that the township assessor was contacted concerning the closure and the impact to the property's assessed value if it remained vacant. The Milton Township Assessor's office indicated a reduction of \$750,000 in assessed value would be in order given the vacancy of the major tenant space in the development. Mr. Batek then presented a scenario in which the total assessed value of the TIF were reduced by approximately \$1,000,000 and the impact it would likely have on the generation of property tax increment

MINUTES OF THE JOINT REVIEW BOARD CAROL STREAM GENEVA CROSSING TAX INCREMENT FINANCING (TIF) DISTRICT WEDNESDAY, NOVEMBER 20, 2013 3:00 P.M.

assuming the anchor space remained vacant until the end of debt service payments in 2021. Even under this scenario, the TIF should still generate increment of nearly \$400,000 per year, which alone would be sufficient to cover scheduled debt service payments without any sales tax contributions.

Discussion next moved toward the feasibility of ending the TIF earlier than the current debt schedule which has a final repayment of bonds on December 30, 2021. Mr. Batek presented a report prepared by Robert W. Baird & Co. which projected the requirements necessary for a full cash defeasance of the outstanding bonds. The first bond call opportunity begins on December 30, 2013. A full defeasance of the remaining debt would cost approximately \$2.7 million. Compared to projected fund balances of just under 2.0 million by April 30, 2014, the elimination the entire debt is not yet feasible. A current refunding of the outstanding bonds may be economically feasible, however will not result in the elimination of the debt, just a new debt schedule at lower interest rates. Following the first call date, the Village will have the option of considering calling portions of the outstanding bonds early as circumstances may warrant. At this point, since the Village cannot completely eliminate the debt, the preference at present time would be to wait and see what will happen in the TIF with respect to a successor tenant, pending property tax appeals, and assessor revaluations prior to calling any outstanding bonds. Following the next year or more, the Village, and the TIF, may be in a better position to use some of the accumulated reserves to call bonds.

There being no further questions, Mayor Saverino moved to adjourn with Susan Rini seconding. All ayes. Motion carried. The meeting was adjourned at 3:24 p.m.
