To Whom it May Concern:

By means of this letter, I, Phil Modaff, Director of Public Works, hereby designate the Stormwater Administrator in the Department of Engineering Services to serve in the same capacity as the "Director" in all matters prescribed in the Carol Stream Code of Ordinances Chapter 13, Article 21 titled "Stormwater; Illicit Discharge Detection and Elimination", except with the following limitations and conditions:

1. This designation is made pursuant to the definition as provided in § 13-12-5 DEFINITIONS:
 - a. DIRECTOR. The Village of Carol Stream Department of Public Works or successor position or his or her designee.
2. This designation shall infer upon and delegate all authority, duties, and functions as prescribed to the "Director" onto the Stormwater Administrator.
3. However, in no instance shall this designation infer the delegation of any other authority prescribed to the Director of Public Works elsewhere in the Carol Stream Code of Ordinances, nor any additional authority other than as explicitly prescribed in Chapter 13, Article 21.
4. The authority delegated is not subject to sub-delegation without the prior and express written consent from the Director of Public Works or their successor.
5. The effective date of this designation shall be upon the date as executed herein under "Acknowledged and Agreed to by" and shall run until revoked by the Director of Public Works or their successor.
6. This designation shall be included in the Village's Stormwater Management Program Plan developed pursuant to the Illinois Environmental Protection Agency's General NPDES Permit ILR40 for Discharges from Small Municipal Separate Storm Sewer Systems.
