- Name of Applicant _____ Phone _____
Address _____ Fax _____
Name of Owner _____ Phone _____
(required if other than applicant)
Address _____ Fax _____
 - Common Address/Location of Property _____
 - Please indicate the type and size (provide dimensions) of the structure that is the subject of this application.

 - Please indicate the type of easement into which you are requesting to encroach upon (public utility, drainage or both).

 - Please explain the background of your request for approval to allow a structure to encroach within an easement.

6. Please explain the need to encroach within the easement as opposed to placing the structure elsewhere on the property.

7. Please explain that all other options have been considered for the placement of the structure outside of the easement and rejected as impractical.

8. Petitioner Certification

I have received a copy of the easement encroachment process handout. I understand that prior to this request being forwarded to the Village Board for a final decision, I must sign and return to the Village the Terms of Approval letter. I will be informed of the time and date of the Village Board meeting at which my request will be decided, and my attendance at this meeting is required. I also understand that, per § 6-13-6 of the Municipal Code, the Village's costs of legal reviews and other special reviews required by the Community Development Director to be performed by means of consultant services shall be paid at the billed rate to the Village by the applicant.
